Dear friends and partners,  
greetings from Italy!

Mauro & Connie Girgenti

November/December 2012

"As cold water to a weary soul,  
so is Good News from a far country." (Prov. 25:25)

*"They saw the child and his mother Mary, and they bowed down and worshiped Him" (Matthew 2:11)*

## THE CHRISTMAS SEASON

for many of us, is a time of anticipated joy and thankfulness. We, as believers, have special reason to celebrate the birth of Jesus. The message of Christmas - Immanuel, God with us!

We can bring this knowledge to others who need encouragement, love and a reason to live. We can give them a reason to have joy and peace in their lives.

The greatest Christmas gift we can give to others is not just a present but also something everlasting - "HIS Christmas Presence - CHRIST in me". What a perfect time to share this true message of Christmas - "God will be with you. God will help you. God will strengthen you."

We are grateful to God for His goodness in our lives. Let us take every opportunity to share the love of God, making this a truly special Christmas!

*From our home to yours, we send you our love! May the timeless message of Christmas fill your heart and home with joy now and throughout the coming New Year.*

## REACHING THE NATION AND TOUCHING LIVES

*You may not be called to - GO - Thank-you for sending us!*

*During this past year, Pastor Mauro has been traveling extensively throughout Italy holding crusades, seminars and leadership training for pastors. We have received many wonderful testimonies from people who have been inspired, encouraged and healed during these meetings. Enjoy reading these testimonies of how you are helping us touch the lives of so many people.*

*"A few years ago I was experiencing a great amount of pain in my hip. Physical movement became more and more difficult. My doctor had told me that my condition would steadily worsen if I did not have surgery to replace my hip. You came to minister in our church several months ago. I came forward for prayer when you asked if there was anyone in pain and needed a miracle in their body. I wanted to let you know that I have not had any more pain in my hip and my doctor confirmed that after he examined me I do not need hip surgery. I thank Jesus for my miracle!" AG - Sicily*

*"At the beginning of this year I was diagnosed with cancer in one of my lungs. Of course this news brought great fear and desperation in my life. My aunt invited me to one of the meetings you had in my city. When I heard you share about the promises of God and that healing belonged to us as believers, I quickly came to the altar for prayer. This month I had an appointment at the hospital for the doctors to schedule me for surgery. During the examination, the doctors told me that the cancerous spot in my lung had shrunk and they did not know why; but, I know that God is doing a miracle in my body. Thank you for sharing about the healing power of God's Word." CD - Naples*

*"My parents raised me as a Jehovah Witness. I have been confused almost all my life concerning who God is and what the Bible says about Him. I attended one of your seminars and was amazed at how the Word of God was taught. I had never felt that God was truly real to me or that He was interested in my life. I know now that He cares deeply for me and wants to bless me. Thank you. MG - Verona*
