

Good News Ministries

WHO WE ARE

For over 25 years, Connie and I have dedicated ourselves to help people come to the fullness of God's potential in their lives. Since 1994, we have been actively involved in taking the Gospel to Italy, Europe and the Mediterranean countries. We believe that God will speak to many who have a pioneering spirit and a heart for missions to get involved and help us extend the Gospel to multitudes of people. Our plan is to raise support from individuals, churches and ministries who have a vision for a lost and dying world.

Together we can make a difference!
