*"As cold water to a weary soul,
so is Good News from a far country." (Prov. 25:25)*

We always enjoy sharing with you, our partners, some of the testimonies that we have received.

By co-laboring together with us to reach people with the victorious message of Jesus Christ you are helping us touch many lives that have never heard the Word of God.

Jesus said all nations must hear the Gospel, that means we still have work to do!

We are thankful for each one of you!

Without YOU, there would not be US.

BELIEVE AND RECEIVE

Two years ago I was diagnosed with a condition that made me unable to use my right arm. Over the course of time, with the pain in my arm being unbearable, I could no longer do my job at work; therefore, I was laid off. It has been difficult finding another job because of the constant pain. The doctors told me that I would need surgery to correct the condition. I started listening to the teaching on healing that you did at church and came forward for prayer a few Sundays ago. When the time for my operation arrived, my doctor wanted to do a few more tests on my arm – I knew that my arm felt different, but I wanted my doctor to tell me what had happened. When the test results came back, my doctor explained that he could no longer find anything wrong with my arm.

I am rejoicing because I am pain free! I do not need an operation! I am able to go back to work! Thank you for your prayers and your faithfulness in teaching the Word.

THE LIFE-CHANGING WORD OF GOD

I have been listening to Pastor Mauro over the radio for the last few months and I wanted you to know how much the teaching has influenced my life. I had never been taught that we could read the Bible and understand what was written in it. As Pastor Mauro clearly explains the scriptures, I have found myself enjoying what the Bible has to say about me and my life. I am now reading the Bible every day and have started reading the books that you have translated into Italian.

Thank you for all that you are doing.

THANK YOU FOR HELPING ME TO KNOW JESUS

When I thought my life was over because of the wrong things I had done I came to church and heard you talk about the love and forgiveness that God has given us. I thought it was too good to be real. You prayed for me and I felt like something washed over me. I accepted Jesus in my heart and I want you to know that I am not the same person as I was before.

I want to live for Christ and bring others who also feel broken to Him.

Book Translations

We are pleased to announce that Good News Ministries has finished printing “Following God’s Plan for your Life”, by Kenneth Hagin. Italians who have read this book have told us that it has helped them to understand that God has a special plan for their lives. AND...

...we have now begun the translation of these two new books.

PRAYER SECRETS

We know how important prayer is to every believer. In this exceptional book Kenneth Hagin clarifies what a believer needs to know from the Word of God concerning prayer and his role in receiving from God.

TURNING HOPELESS SITUATIONS AROUND

There may be many things in our lives that seem to look hopeless, but with God, nothing is impossible! Kenneth Hagin shares with the reader how it can be possible to turn hopeless situations around. If a person can believe, then the impossible can happen in their lives.

We know that our translated books are having an impact in the lives of so many people. We appreciate all of our partners who have faithfully given to make sure that these important books get printed. Thank You!

Over the last 17 years we have been so blessed to have many churches and individuals join hands with us in bringing God’s Word to Italy and Europe. It is because of YOU that we have been able to do all the things that God has called us to do.

Thank You
